Regents Convene for January Meeting; renew Utterback's contract

The Seminole State College Board of Regents convened Jan. 27 for the first time in the new year.

At their January meeting, the SSC Board heard reports on campus activities, approved an increase in lab and course fees and reviewed the terms of the President's employment.

During the President's report to the Board, Utterback provided a list of the College's accomplishments during 2010 including the dedication of the new student services center. Also the adoption of a new institutional mission statement, and the successful kickoff of the "Shaping the Future" Capital Campaign.

The President also informed the board of the preparation for Higher Education Day at the Capitol on Feb 22.

First on the agenda, the board reviewed and approved a memorandum of understanding with Ramona

Munsell & Associates Consulting, Inc. to develop a GEAR UP partnership application for federal funding.

"We have a long and successful history with the Munsell firm. While competition for funding is great, we believe it is worth the investment in making application for federal dollars," said Dr. Jim Utterback.

For the next item, the board voted to increase lab fees from \$30 per course to \$35 per course. This fee will be used to cover increasing costs of lab supplies and will only apply to lab courses.

Next the board reviewed and approved new academic service fees that will be required for particular courses of instruction or certain academic programs. A \$10 per credit hour fee for Medical Laboratory Technology courses and a \$10 per course fee for hybrid courses taught partially online and partially in the traditional classroom setting were approved. The

final item was approval of a \$5 electronic academic access per course fee that will be charged to courses that significantly utilize the College's on-line learning management system.

The board retired into executive session to discuss terms of employment for the president's 2011 contract. After returning to open session, the Board voted to renew Utterback's contract.

In making the motion on the President's contract, Regent Marilyn Bradford said, "We appreciate Dr. Utterback's service, and his desire to stay at Seminole State College and move to renew his contract at the same level of compensation."

Following the meeting, Board Chair Bill Huser commented that the Board respected the President's wishes to not increase his compensation at this time. "Dr. Utterback asked that the Board consider not awarding him a raise until it is possible to also pro-

vide raises to faculty and staff."

Utterback thanked the board and stated that he was honored to serve as president.

"I want to say publicly how much I appreciate the support of the board," said Utterback. "As I complete my fourteenth year at SSC, it is exciting to reflect on the accomplishments of the institution during these years. I hope the Board, and everyone at the College, will take great pride in the successes of this great institution."

Two items were approved on the consent agenda: a contractual agreement with Sopo Ngwa Law Firm of Tucson, Arizona to help recruit international students from Cameroon and other African countries to attend SSC and the approval of the 2011-2012 academic calendar.

Board members present at the meeting included: Chairman Bill Huser, Marci Donaho, David Wilson, Marilyn Bradford and Leesa Adams.

SSC Global Studies Program to Travel to Costa Rica in Summer 2011

Seminole State College's 2011 Global Studies excursions program will travel to Costa Rica in July as part of its summer program.

The thirteen day trip, slated for July 27 – Aug. 8, 2011 will direct travelers through the learning and leisure of Costa Rica. They will swim in both the Atlantic and Pacific oceans, zip-line through a rainforest canopy in Manuel Antonio National Park, visit the Iruza volcano and sea kayak in the Pacific.

The estimated cost for the Coast Rica tour is \$1,800.00.

Christian Morgan, SSC English instructor, stresses that community members are invited to participate

in the trip. "You need not be a SSC student or enroll in the Global Studies course to enjoy this trip. Openings are limited, so apply for your passport—if you don't already have one—and reserve your place now on this tour full of history and culture," he said.

Morgan can be contacted at (405) 382-9207 or by email at c.morgan@sscok.edu. Interested parties may also contact Lori Eberhart at (405) 382-9226 or by email at l.eberhart@sscok.edu.

Higher Education Legislative Briefing

Dr. Glen D. Johnson, chancellor of the Oklahoma State System of Higher Education, met with 50 area legislators and friends of higher education Jan. 18 in McAlester to discuss the importance of higher education in improving the economy and business climate of the state.

Seminole community leaders were among those in attendance at the Southeast Oklahoma Legislative Briefing held at Pete's Place in Krebs. A delegation representing Seminole State College was led by Lana Reynolds, SSC Vice-President for Institutional Advancement. Oklahoma State Senator Harry Coates (R-District 28) and Representative Tom Newell were special guests of the SSC group.

Others in the delegation included Vice President for Fiscal Affairs Katherine Benton, Director of Business Services Braden Brown, Coordinator of Media Relations Dustie Butner, SSC Educational Foundation Trustees Doug Humphrey, Paige Sheffield, Blake Hargrove and past Foundation Chair Karen James.

Joining the SSC supporters

were friends of the college from the McAlester area – Wes Brown, McAlester attorney, and Jim Pratt, President of BancFirst.

Colleges participating in the event included: East Central University, Eastern Oklahoma State College, Carl Albert State College, Connors State College, Murray

State College, Seminole State College and Southeastern Oklahoma State University.

The event was part of a state-wide initiative that brings together local legislators, college and university presidents, and community leaders in a forum to discuss higher education's goals, initiatives and agenda for the upcoming legislative session.

"Our message to legislators was one of expressing thanks for their past support, as well as explaining our future needs. Seminole State College plays a vital role in our community and in the state system of higher education, as do the other colleges and universities in this area, and we need to make certain that our students are an important priority in the coming legislative session," Reynolds said.

SSC supporters (l to r) Braden Brown, Senator Harry Coates, Katherine Benton, Blake Hargrove, Representative Tom Newell, Lana Reynolds, Paige Sheffield, Dustie Butner and Doug Humphrey, attended the Southeast Oklahoma Legislative Briefing at Krebs.

Seminole State College 2010 Highlights

- The College ended the fiscal year with \$727,237 in E&G Cash Reserve - the largest in over a decade
- Employees and Foundation board members celebrated the public kick-off of a "Shaping the Future" Capital Campaign in early May. At the kick-off celebration, it was announced that SSC employee gifts and pledges totalled over \$75,000. By summer, 100% of all employees had pledged participation in the campaign.
- The Foundation began an effort to renovate and develop the area around the north pond on the SSC Campus. The Foundation Board of Trustees voted in October to adopt a project to create an area to complement the development of Henderson Park on the south edge of campus.
- Two faculty members, Social Sciences Instructor Bill Knowles and Language Arts and Humanities instructor Kelli McBride, were granted tenure by the SSC Board of Regents in February.
- Career milestones of SSC employees were recognized during the SSC Education Foundation's annual recognition banquet in May. Honorees included: Jonna Bunyan (35 years); Debbie Robertson (30 years); Patricia Cokeley (25 years); Debbie Hammond (25 years); Kathy Hoover (25 years) and Ronnie Killian (25 years).
- Seminole State College was selected as one of America's fastest growing community colleges by the national publication, *Community College Week*, in late November.
- SSC has seven grants (Student Support Services, Health Sciences Student Support Services, Upward Bound I and II, Upward Bound Math-Sciences, Veterans Upward Bound and Educational Talent Search) funded through the U.S. Department of Education TRiO Division with a combined annual budget of nearly \$2 million dollars.
- During the 2010 year, a notable five of SSC's nine sports programs were NJCAA Region II Champions and advanced to national tournament play. With two of the four remaining teams garnering Region II Runner-up finishes, seven of Seminole State's nine teams finished as either Region II champions or runners-up.
