SSC Delegation Visits State Capitol for Higher Education Day Activities

A large delegation of campus and community leaders representing Seminole State College attended “Higher Education Day” at the State Capitol, Tuesday, Feb. 22.

The event, sponsored by the Oklahoma State Regents for Higher Education, is held annually to demonstrate grassroots support for Higher Education funding.

An afternoon session was held in the chamber of the Oklahoma House of Representatives. Speakers included several students from across the state, as well as Oklahoma State System for Higher Education Chancellor Dr. Glen Johnson, Oklahoma Secretary of Commerce David Lopez, Oklahoma House of Representatives Speaker Kris Steele, Oklahoma Senate President Pro Tempore Brian Bingman, Oklahoma Secretary of Education Phyllis Hudecki and Council of Presidents Chair Janet Cunningham.

Higher Education Day activities included office visits with area legislators at the Capitol.

Prior to the afternoon program, community and campus leaders representing Seminole State College, hosted a luncheon at the OU Faculty House in Oklahoma City. State Senator Harry Coates (R-Seminole) and State Treasurer Ken Miller were guests at the luncheon.

Following introductions by SSC President Dr. Jim Utterback, Coates and Miller spoke to the SSC delegation about their support of higher education and their outlook on the new legislative session.

SSC Regents Convene for February Meeting and approve tenure for five faculty

The Seminole State College Board of Regents convened Feb. 24 for their monthly meeting. At their February meeting, the SSC Board heard reports on campus activities and awarded tenure to Dr. Steve Bolin, instructor in the Social Sciences Division; Annette Troglin, instructor in the Math, Science and Engineering Division; Dave Helseth, instructor in the Math, Sciences and Engineering Division; Rayshell Clapper, instructor in the Language Arts and Humanities Division and Malinda Browning, instructor in the Nursing and Health Sciences Division.

During the President’s report to the Board, Dr. Jim Utterback gave an update about special events at the College and highlighted Higher Education Day activities held at the Capitol Feb. 22.

The Board reviewed and approved granting tenure to Dr. Steve Bolin, Annette Troglin, Dave Helseth, Rayshell Clapper, and Malinda Browning.

Bolin received his Bachelor of Arts from the University of Illinois, Master of Art in Theological Studies from Wheaton College and his Doctorate in United States Social and Intellectual History from Oklahoma State University in 2009.

He has been an instructor at SSC since 2006 and is a member of the

She currently serves on the Faculty Senate Social Committee, Inter-scholastic Committee, NASNTI Retention Committee, In-service Committee and Division Selection Committee.

Troglin is a member of the Lions Club and the Wes Watkins Math Advisory Board. She is a member of the Child Development Program and an America Diploma Project participant.

Helseth received his Bachelor of Science in Microbiology from Colorado State University, a Master of Arts in Biblical Studies from American Christian College and Seminary and a Master of Science from Oklahoma State University in 2001.

He is a member of the National Science Teachers Association, Oklahoma Science Teachers Association, Kappa Delta Pi, Association for Supervision and Curriculum Development and was inducted into the Fall 2009 edition of “Who’s Who of American Educators.”

She is a member of the Quillology Writers Group, Modern Language Association, Oklahoma Writers Federation, Seminole Writers Group, SSC Faculty Senate, Sigma Kappa Delta and National Council of Teachers of English.

Browning received her Bachelor of Science in Medical Technology from Indiana University and a Master of Public Health in Health Promotion Sciences from Oklahoma University.

She is a member of the American Society of Clinical Pathologists, Phi Kappa Phi Honor Society and Delta Omega Society.

Utterback told the Board that all the individuals are highly respected by their students and peers, have met and exceeded every aspect of the tenure process and are most deserving of this important status.

“The granting of tenure is one of the most important actions that this board takes. It’s a statement to fellow faculty, to our community and to our students that we have faith and trust in all of these faculty members – and that we present them as being among the very best educators that we could possibly have. I would like to echo Chairman Huser’s congratulations to these folks. They are all very deserving and we are proud of them,” Utterback said.

Tenure is a reciprocal state in which faculty members commit to an on-going effort to achieve excellence and the institution commits to support the achievement of excellence and to retain the faculty member. SSC faculty members are eligible to apply for tenure at the conclusion of a probationary period of four continuous years as a full-time faculty member and must have earned a master’s degree with 18 graduate hours in the primary teaching field prior to applying for tenure.

At Seminole State College, the maximum tenure density is 60 percent and applies within each academic Division.

Board members present at the meeting included: Chairman Bill Huser, Marci Donaho, Jeff Miller, David Wilson, Marilyn Bradford, Kenneth Henderson and Leesa Adams.

The SSC Board of Regents’ next meeting is Thursday, March 24.

Seminole State College student Brittain Withers of Strother was one of 30 Oklahoma college and university students selected to attend the Nigh Institute Leadership Conference recently held in Oklahoma City.

Withers received a 2011 George and Donna Nigh Public Service Scholarship through the Nigh Institute program funded by the Oklahoma Legislature.

During the leadership academy, students visited with members of the House of Representatives and the Senate, as well as attended sessions concerning Oklahoma’s local government, government relations, the national election, public policy, and Oklahoma’s economic future.

The students also had time to enjoy some of Oklahoma City’s numerous attractions. They toured the Governor’s Mansion, the Oklahoma History Center and the State Capitol and heard remarks from the Oklahoma Lieutenant Governor Todd Lamb.

In addition, the group had the opportunity to attend briefings from the Oklahoma Supreme Court, House of Representatives and Senate.

Withers, a sophomore from Strother, is active in several campus groups and volunteers for many service projects. She is a member of the SSC Presidential Leadership Class IV.

SSC Global Studies Program to Travel to Costa Rica in Summer 2011

Seminole State College’s 2011 Global Studies excursions program will travel to Costa Rica in July as part of its summer program.

The thirteen day trip, slated for July 27 – Aug. 8, 2011 will direct travelers through the learning and leisure of Costa Rica. They will swim in both the Atlantic and Pacific oceans, zip-line through a rainforest canopy in Manuel Antonio National Park, visit the Iruza volcano and sea kayak in the Pacific.

The estimated cost for the Costa Rica tour is $1,800.00.

Christian Morgan, SSC English instructor, stresses that community members are invited to participate in the trip. “You need not be a SSC student or enroll in the Global Studies course to enjoy this trip. Openings are limited, so apply for your passport—if you don’t already have one—and reserve your place now on this tour full of history and culture,” he said.

Morgan can be contacted at (405) 382-9207 or by email at c.morgan@sscok.edu. Interested parties may also contact Lori Eberhart at (405) 382-9226 or by email at l.eberhart@sscok.edu.
