PUBLICATION AND NON-DISCRIMINATION STATEMENTS

Seminole State College does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs or activities. The college has an open enrollment policy in accordance to the criteria set by the Oklahoma State Regents for Higher Education. If a regularly enrolled student has not taken the ACT test then placement tests will be required. All first-time freshman students are subject to placement testing to ensure proper course selection. Technical occupational training is offered to all students in the areas of Applied Technology, Business, Medical Laboratory Technology, and Nursing. Inquiries concerning this policy may be directed to: Office of VP for Student Affairs (405-382-9216) is located in the Walkingstick Student Service Center. The Human Resources office (405-382-9204) is located in the Dan & Andrea Boren Center.

General Information

Types of Degrees Offered

Seminole State College offers two-year Associate's degrees for students planning to transfer to four-year colleges or universities and Associate's degrees for students intending to enter directly into the workforce upon graduation.

Transfer Degrees

The College offers two types of transfer degrees: Associate in Arts (AA) and Associate in Science (AS). Consult the SSC webpage for information including degree checklists for the following programs:

Agriculture AS	Health, Phys. Ed. & Rec. AS
Art AA	Health Sciences AS
Biology AS	Liberal Studies AA
Business AS	Pre-Engineering AS
Child Development AA	Psychology AS
Computer Science AS	Secondary Education AS
Criminal Justice AS	Social Sciences AA
Elementary Education AS	

Students that are career undecided or seeking a transfer-oriented degree not listed above may choose the Liberal Studies Degree and enroll in courses that explore career options or support a degree not listed.

Enter the Workforce Degrees

Two-year degrees designed for students to enter the workforce upon graduation are called Associate in Applied Science (AAS) degrees. The College offers five Associate in Applied Science degrees and one Certificate all designed for immediate workforce entry following graduation.

Business Technology AAS
Engineering Technology AAS
Medical Laboratory Technology AAS
Nursing AAS
Physical Therapist Assistant AAS
Child Development Certificate

Students that begin an Associate in Applied Science degree program are permitted to change to a transfer degree program should their goals change to include the pursuit of a four-year degree upon graduation from Seminole State.

Students Planning to Transfer to Colleges and Universities

The Oklahoma State Regents for Higher Education (OSRHE) provides a policy of articulation among the higher education institutions of the State system. The OSRHE guarantees students transferring to public four-year institutions in the state of Oklahoma with an **Associate in Arts or Associate in Science** degree that the associate degree will satisfy all freshman and sophomore general education requirements at the four-year university. Students who transfer to another regionally accredited college before completing an associate degree will only

receive general education credit for courses that match those at the transfer college or university. For detailed information regarding general education requirements at SSC refer to the SSC College Catalog available on the SSC webpage.

Admission

Prior to or at the time of enrollment, students must submit a properly completed application for admission, ACT or SAT scores (if available), high school transcript, and official transcripts from any college previously attended to the Office of Admissions. Admitted students will be referred to an SSC academic advisor to begin the enrollment process.

Advising and Enrollment

- New students will visit with and enroll through a professional academic advisor in the Enrollment Center in the Walkingstick Student Service Building on the SSC campus.
- New students will be assigned to a faculty advisor or federal program advisor based upon their degree program. Students will be notified of advisor assignments as a part of their first-year success course through academic correspondence.
- Advisors assist students with degree program and course selection, building a timeline for a plan of completion, and the academic aspects of transferring to a four-year program.
- Students will have access to degree program specific expertise through a faculty advisor and the degree program mentor in their chosen major.

Placement

Prior to entry-level enrollment, students with ACT subject test scores below 19 or who lack ACT assessment test scores altogether, participate in secondary testing. The instruments for secondary testing are ACCUPLACER Assessment Tests in reading and writing skills, and a Division Assessment in math. A study guide for students to prepare them for placement tests in math has been developed by faculty. Students also have access to a number of free online placement testing tutorial sites.

Tuition and Fees are Subject to Change

In the event that the Oklahoma State Regents for Higher Education or the Seminole State College Board of Regents assess a fee change, students will be assessed accordingly.

Audit and Non-Credit Courses

Students permitted to audit courses shall pay the same resident or non-resident tuition and fees as required of students who enroll for credit. The fees for non-credit courses, workshops and seminars will be assessed on the basis of individual program costs.

Tuition and Fee Payment Due Dates and Payment Plan

Students pay tuition, fees, and all other charges at the Business Office Cashier located in the Walkingstick Student Services Building. MasterCard, Visa, Discover Card, personal checks, cashier checks, money orders, and cash are accepted for payment in the Cashier's Business Office and the College Bookstore. Tuition and fees are due by the first day of classes unless other arrangements have been made. Save time by paying online at www.sscok.edu. Simple, secure, and easy payment plans are available.

Refunds for Schedule Changes or Withdrawals from College

Students adjusting their schedules or completely withdrawing from all classes during the first two weeks (one to 10 business days) of a sixteen-week semester or the first week (one to five business days) of an eight-week semester will be charged 100% of all tuition and fees for any courses added and will receive a 100% refund for any courses dropped. No refunds will be issued to students withdrawing after the first class meeting of any intersession, weekend, or any other course scheduled to meet less than eight weeks. When a student receiving federal financial aid completely withdraws from any semester a Return of Title IV Aid (R2T4) calculation must be done. If a student is required to return funds, the excess funds must be returned through the SSC Business Office. Students should visit the SSC Financial Aid Office if they are planning to withdraw from any classes and receive federal financial aid.
