C. Fall 2015 Courses to be Assessed –

Members need to tell Division Chairs that they have the list of classes to assess this fall. Dr. Goeller asked about taking Nursing, MLT, and some HPER courses that we do not use for our SSC assessment off of the Matrix.

Motion: Take off of the General Education Outcomes Matrix those courses that SSC does not use in its own assessment including the Nursing, MLT, and some HPER courses. Motion passed. Members did ask that Dr. Goeller inquire with Nursing and MLT about their own assessment processes.
