There are several benefits from being actively engaged, some include: *empowered to become active citizens, build long-lasting relationships, develop life skills, increase self-esteem and confidence, and foster intentional learning opportunities.* SSC NASNTI has created videos of some campus activities and civic organizations that are relevant and of interest to our campus family and community. These videos are being introduced here, and you can also find them on Brightspace, the SSC App (NASNTI) as well as on the SSC YouTube channel. Visit the “Life at SSC” section located at the main SSC website for more information on campus activities and student organizations.
