

# The **NASNTI** Monthly

September 2025

## Welcome to the SSC Esports Club!

SSC students playing 'Stumble Guys'  
during SSC Welcome Week!

Are you ready to level up? Whether you're an expert or just getting started, our club is the perfect place to connect, compete, and improve your skills.

**Where We Play:**  
We meet every **Tuesday at 2:00 pm** & every **Friday at 12:00 pm** in the **Tanner Building room 202**.

**Games on Deck:**  
This semester, we're focusing on: **Rocket League, Mario Kart, Apex Legends, Fortnite** and **Fall Guys**. By special demand we will also include **Super Smash Bros**. If you play, or want to learn, one of these titles, we've got you covered.

### **Club vs. Team: What's the Difference?**

Our club is a place for all students to connect and play games together. We welcome everyone, from beginners to advanced players. However, our competitive team is a select group of players dedicated to representing our college in official tournaments. Not all club members will be on the team, and a tryout is required to join.

### **Esports Classes: Fall and Spring Offerings**

Our Fall Esports classes are in full swing. These include: **Introduction to Esports** and **Esports Communication**. Ready for what's next? Spring semester offerings include: tapping into your creative side with **Multimedia Development** and learning how games are made from the ground up with **Introduction to Game Development**.

NASNTI is 100% federally funded in the amount of \$450,000 annually.
