

Seminole State College

March 25, 2020

Good afternoon,

As you may have seen in your email, SSC has decided to go electronic distance learning for the remainder of the spring semester. Below are links for you to click depending on what hall you live in. You will choose a day and time to come pick up your property. Because of the COVID-19 and the emergency declarations we must have your property pick up scheduled. You will have **one hour** to get your property and to throw away trash and you can have **only one person** that can come inside to help. Again, this is to keep the number of people inside to a minimum. Keeping to the schedule will be important in this process. I know this is a crazy time and we truly appreciate your patience and cooperation in getting your property picked up.

It may make your move-out easier and quicker if you bring some large plastic trash bags to place some of your property into.

We are discussing several options regarding providing credits and pro-rated refunds for room and board. These will be considered on a case-by-case basis and will be based on many factors, including financial aid status.

To sign up using the links below you will first find what date and time you can be on campus, second click on the Sign Up tab, Third, click Submit and Sign Up tab at the bottom, lastly, fill in your name and email and click on the Sign Up Now tab.
