

Seminole State College

April 22, 2020

Dear Students,

Seminole State College has begun processing necessary paperwork and developing policy that will enable us to distribute our allocation of the Higher Education Emergency Relief Fund (HEERF) that is going to be provided by the US Department of Education through the Coronavirus Aid, Relief and Economic Security (CARES) Act. Please know that we currently have not received any of the funds and are also awaiting additional guidance from the US Dept of Education on their requirements for the distribution of these funds. This is a complex issue that involves multiple entities and departments, including the federal government. We are continually and cautiously making preparations so that as soon as everything is finalized and the funds are received, we can get the money into the hands of our students as expeditiously as possible. We sincerely appreciate your patience. Please continue to monitor your SSC student email throughout the coming weeks for updated information and requests.

Sincerely,

Melanie Rinehart, MBA CFAA CFEI

Director of Financial Assistance
