Program Objective

The objective of the Applied Technology Associate in Applied Science is to facilitate degree completion by students who have earned an industry recognized credential and who earn college credit for general education work in preparation for employment or career advancement.

Requirements for Graduation

1. At least sixty designated semester credit hours.
2. Grade of "C" or better required in all Technical-Occupational Requirement courses.
3. Grade Point Average of 2.5 or better on Technical-Occupational Requirement courses.
4. Overall Grade Point Average of 2.0 or better.
5. Fifteen semester credit hours in attendance at SSC.
6. Completion of Graduate Exit Survey.

Please Note: Students who begin an Associate in Applied Science degree program are permitted to change to a transfer degree program should their goals change to include the pursuit of a four-year degree upon graduation from Seminole State.
