

## Residence Hall Move-In for Fall 2024

All Residential Students have been assigned a specific day and time for moving into the residence halls depending on which sports team they belong to, if they are in the PLC program or a regular residential student.

### When you arrive on your scheduled date and time for Move-In:

- **You will first go to the Ben & Bonnie Walkingstick Student Services Center - RAs, Volleyball and Soccer will meet at their residence hall first**  
(Here you will complete any missing housing forms, check in with the Financial Aid office, pick up your parking permit, get your student ID if you do not have yours, and/or pay any outstanding balances. Once everything is complete you will get your room key and can proceed to your building)
- **You are allowed two helpers on move in day**
- **You will have one hour to get your belongings unloaded and brought into your room after you check into your residence hall**
- **Once your vehicle and your helper's vehicle are unloaded your helper will need to park East of the ponds in one of the lots across campus or at the Haney Center to free up space in the housing parking lots**
- **You and your helpers will have an additional hour together to arrange and decorate your room. After your final hour is complete with your helpers, they will need to leave the residence halls, this allows more room for the additional students to move into the building**  
  
\*Do not worry, you will have the rest of the day and weekend to get your room in order\*
- **Before you say your goodbyes with family go explore campus together or visit the city of Seminole and enjoy a meal ~ we cannot wait to have you as a student this year!**
